

DEPUTY SHERIFF

And Attorney Arrive from Illinois to Take Back With Them Wm. Funk, Wanted for Bank Robbery.

Deputy Sheriff J. H. Henderson and ex-Prosecutor O. H. Porter, of Princeton, Ill., arrived here from Columbus last evening armed with requisition papers from Governor Harris for the purpose of taking William Funk, charged with bank robbery, back to Illinois. Upon their arrival in Canton they met Chief of Police Smith and Sheriff Wilson at the city hall, where after a consultation, and showing their badge of authority, Funk was turned over to their care.

Funk's brother-in-law, named Benson, who is now in custody charged with being implicated with Funk in the robbery, gave the information to the officers in Illinois, which led to Funk's arrest in Canton.

The charge against Benson and Funk is that at 2:10 o'clock on the afternoon of November 1, they went into the Farmers' and Miners' bank in the coal mining town of Ladd, Ill., and at the point of a revolver, commanded the assistant cashier, who was alone at the time, to leave his desk and go into a rear room, where they tied him hand and foot, and tied a towel tightly over his mouth. Then while Funk held the revolver at his head, Benson took \$1700 in currency from the cashier's desk and the two men departed.

Officers have been on the hunt of the men continually since and early last week arrested Benson in Peru, Illinois. He implicated Funk in the job and told where he could be found in this city.

Deputy Henderson and Attorney Porter left, with Funk in charge, on an early Pennsylvania train this morning for Chicago.

CANTON MAN KNOCKS OUT COLUMBUS LAD

Special to Morning News.

Columbus, O., Nov. 16.—Bernie Strapp, the Canton welterweight, knocked out Eddie Birkhead in the fifth round tonight before the Southern Athletic club. Strapp was in fine condition and outclassed the negro from the start. Art Simms, the Canton lightweight, and William Wilson, the former Canton Central league pitcher drafted by the Washington Americans, were in Strapp's corner. The news of Canton's victory over Massillon reached the ringside as the men were about to start the bout. The news put ginger into Strapp and he topped off Canton's victory by gaining one himself.
